Oxford Word Skills Advanced

Speaking game

2+ players

- Cut out the cards along the dotted lines.
- Shuffle the cards and place them face down on a table.
- Player 1 takes a card. No other players should be allowed to see the word or phrase on the card.
- Player 1 then has one minute to describe the word or phrase on the card, without using any of the words on the card. The other players try to guess the word on Player 1's card.
- When a player has guessed correctly, Player 1 hands them the card. If nobody guesses correctly, the card is returned face down to the table and the cards are then mixed up.
- The game ends when all the cards have been correctly guessed.
- The winner is the player who has guessed the most cards correctly.
